Pledge

I/We understand that Faith Lutheran School respects all cultural and religious traditions but follows the teachings of the Holy Scriptures as interpreted by the Lutheran Church – Missouri Synod.

I/We believe that as parents we are responsible for the Christian education of our children. We understand that the function of Faith Lutheran School is to assist Christian families in this responsibility by helping each student to grow in Christian faith, Christian character, and in academic excellence. We will support the spiritual emphasis of the school as it relates to the program and curriculum that the school offers.

I/We will cooperate to make possible a teamwork of home and school. We will actively participate in our child's education and in the activities of the school. This teamwork will include prayer, positive teacher support, special gifts, as the Lord provides, and volunteer work as our schedule permits. We understand that home-school cooperation is essential for the welfare of the child, the family, and the school.

I/We pledge our cooperation in the matter of discipline and understand that we may be involved in handling disciplinary matters concerning our child. We understand that the school has the right to dismiss any student who does not respect the school's spiritual and behavioral standards or does not cooperate with the school and its educational goals.

I/We pledge our cooperation in assuming all financial responsibility for any and all costs with the education of our child(ren) at Faith Lutheran School.
